

Social Justice Interactive Sharing Exercise

Goals

1. To come together and share lessons learned with each other.
2. To understand everyone's successes and their challenges in bringing a social justice focus to their councils and conferences.
3. To work together to share solutions to barriers and to create an action plan to move forward together to keep strengthening the social justice movement in Ontario.

Here are some discussion points. Please feel to add any discussion points that you would like to be tabled.

1. Discussion of common barriers.
2. Discussion of successes.
3. Is your council/conference leadership team open to social justice?
4. How is social justice highlighted at your council/conference meetings?
5. How many members are engaged in social justice-is it only you or do you have support?
6. How are current and new members actively recruited into the social justice work?
7. What area is your council/conference currently focused on-systemic change, advocacy, prison ministry?
8. What projects is your council/conference actively engaged in?
9. What support do you need from ONRC, your council or conference in order to move forward?
