SHARING FUNDS

Section 2.15.1 in our Rule Book states that “the main source of funding for Particular, Central, Regional, National and International Councils is from the conferences and councils who have a duty to support higher councils”.

National Support Fee (\$300 per conference/Council) to be sent through the region to National and also ...

Regional Support Fee \$300 to be provided annually by each conference/Council in the region to support the work of ONRC.

All **National & Regional Support Fees** should be forwarded with [this form](#) to ONRC PO Box 23016, Brantford PO Main, Ontario N3T 6K4. Cheques should be made out to Society of Saint Vincent de Paul Ontario Regional Council.

Councils are encouraged to work with their Conferences to ensure that these funds are included in their 2026 budgets. It is exceptionally helpful if they are submitted as earlier in the year as financially possible so that ONRC can carry out its responsibilities with these funds available.
