

Calling All Ontario Council & Conference Presidents!

Ontario SSVP Rejuvenation Initiative –
March 2026

Growing Together

In November, we invited you to support the work of the Ontario Rejuvenation Team—and thanks to your enthusiasm, we have grown! Our team now includes 10 dedicated members, and we would welcome even more participation. Every Particular Council is encouraged to have a representative join the team.

Over the past few months, our team has been actively developing ideas and planning how best to support councils across Ontario. We are pleased to share that we have now created a two-year rejuvenation plan and are ready to begin implementing it.

Resources and Support

As part of this effort, we are currently developing an all-encompassing, easy-to-use website that will provide the resources and tools needed to support your rejuvenation initiatives.

Our team also stands ready to assist you directly. We are here to guide and support your councils every step of the way as you begin or expand your rejuvenation efforts.

Our Goal

Our goal is to help councils start new conferences and strengthen smaller existing ones. We are also available to provide coaching and guidance for any rejuvenation initiatives you may wish to pursue.

Inspired by Blessed Frédéric Ozanam

“Our vocation is to go, not just to one parish, not just to one diocese, but all over the world... and do what? To set people’s hearts on fire.”

What We Need From You

Please consider forming a Cross-Conference Rejuvenation Committee within your Particular Council.
