

follow up to isolated conferences meeting

February 18, 2026

Several representatives of Ontario isolated conferences met virtually with Director of Isolated Conferences Lori Stewart. The hope is to build a stronger connection between such conferences to the benefit of their members and those they serve. The information here is shared as a follow up to some of the discussions in this first gathering.

Second Harvest Food Rescue

Here is [their website](#). Lori used this email address contactus@foodrescue.ca and they responded to her query to set up the program for St. Joseph's in Stratford. And here is the [page giving more details](#) about the program.

ServWare

This is a link to a [presentation about ServWare](#) at the 2024 Annual National Formation event. If you wish to explore the potential of this software further, contact Michael Quinn of St. Mary's conference in Collingwood at mquinn@digimap.com.

Lori would love to meet you in person at Stratford.

Insurance

Many thanks to all isolated conferences for your patience with the insurance process this year. And especially to those who have already submitted their reimbursement payment to ONRC based on the invoices distributed earlier in February!

Regards,

Lori Stewart, Director of Isolated Conferences
