Other ways to support this fund raiser

Understanding that some of you might not be able to attend on the night of the gala, we have devised an **online silent auction** which everyone can view and participate in to support the fundraising event. That evening we will have a LIVE auctioneer for the silent auction prizes gathered by SSVP. But you could also participate in the live auction from your home, using your cell phone and computer.

We would like you to ask your area Bishop if he would like to participate in the bidding of **“Dinner with the Bishop”**. This event will be done by the LIVE Auctioneer at the gala that evening. Winning bidder will have a chance to have a face-to-face dinner with the bishop, date to be arranged at the Bishop’s convenience.

As this is a fundraising event, SSVP ONRC is looking to gather **donations for door prizes, and silent auction prizes** to help make this fundraiser a complete success. We are asking you to contact wendy@ssvp.on.ca to arrange gathering of such items. If you have a corporate sponsor, you would like to approach, an official ONRC donor letter is available for your use.

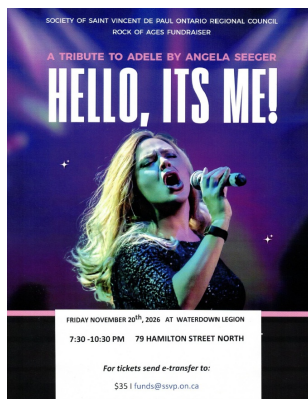

Accommodations

For those of you who are travelling and want to stay over on the night of September 18th, accommodations have been blocked off for our use at the **Holiday Inn @ Brontë**, right beside the convention center at 2525 Wyecroft Rd. For reservations: call the hotel directly at 905-847-1000 using the Group code SVP or book online at SSVP GROUP; if you have the IHG rewards app, enter Group code SVP

Thank you in advance for helping to make this first ONRC fundraising event a wonderful celebration and success.

Sincerely,
Wendy Fougere-Yip
